4.

What subjects complement Economics?

Students will benefit from the study of Economics if they engage in studies that include: Business Studies, Mathematics, Legal Studies, History, Environmental Studies and Geography.

Economics

YEAR 11 & YEAR 12 COURSES

1.

Why study Economics?

Discussion of economic issues dominates the media and politics.

By understanding economics, students can make informed judgements about issues and policies and participate responsibly in decision-making.

The study of economics can help individuals, groups and societies make choices that assist them to improve their quality of life.

2.
