 - Retail Demographer
 - Geography Teacher
 - Logistics
 - Emergency Aid
 - Survey work
- and many other career options.

Geography

YEAR 11 & YEAR 12 COURSES

COFFS HARBOUR
SENIOR COLLEGE

1.

Why do Geography?

Geography is about the world in which we live.

Geography will give you an interest in and a sense of wonder about:

- People, places, cultures and societies.
- Physical and natural environments and how they are changing.
- How and why the world is changing, globally and locally.

Geography is a lot of fun and fieldwork is a key learning tool.

2.

Course Description (structure/delivery)

YEAR 11 COURSE

The Year 11 course is structured to provide students with opportunities to develop and apply their understanding of geographical concepts.

The course consists of four focus areas. These include:

1. Earth's natural systems
2. People, patterns and processes
3. Human-environment interactions
4. Geographical Investigation.

There are also 12 hours of mandatory fieldwork.

3.

YEAR 12 COURSE

INVESTIGATES:

- Global sustainability
- Rural and urban places
- Ecosystems and biodiversity

You will also develop a broad range of geographical tools skills.

There are also 12 hours of mandatory fieldwork.
