Note 1: The lines offered are subject to change depending on student demand. The latest version can be found in the enrolments section on the College website.

Note 2: If Courses are offered on multiple lines, the College reserves the right to amend students' selection to balance class sizes across the timetable.

Note 3: Students can only select a single course on a line as each line represents time slots on the timetable.

Enrolment package/lines as at Friday, June 14 2024

Coffs Harbour Senior College – Year 11 Lines, 2025

STUDENT'S SUBJECT PLANNING TOOL

(to be kept by student – not submitted with enrolment application)

Additional Subject Offerings

TAFE Delivered Vocational Education and Training (TVET/EVET) Courses

A large number of TVET courses are offered by TAFE NSW. Please refer to separate TAFE course sheet.

Please ensure that you check the HSC and ATAR implications for individual courses. Rachel Fraser, our Careers Adviser can assist with selecting TVET courses.

Distance Education

A variety Distance Education courses are offered. Conditions apply - library support available during student's study periods.

Some advice to students:

- To complete the HSC a student must complete a minimum of 22 units across the two years: 12 units in year 11 and 10 units in year 12. Some students choose more than this and may keep or discontinue these additional subjects as they progress.
- Maintain your options - ensure that you have a range of subjects to extend into the HSC year, i.e. don't select a number of 1 year courses that will leave you short of units in year 12.
- Ensure that you have options for further training (either through TAFE or university) or employment.
- If you need assistance in selecting subjects, please contact the College and we can arrange a meeting to assist.
