

COFFS HARBOUR SENIOR COLLEGE

CHSC END OF TERM 4 UPDATE

FROM THE PRINCIPAL

2021 is nearly at the end. Every year NESA selects outstanding pieces of student work to showcase their expertise, knowledge and skills that has culminated in outstanding pieces of work. Congratulations to the following students:

Dance - Amy Knott has been selected to perform her core performance for Call back.

Industrial Technology – Francoise Dik for Shape 2021 Call back at the Power House Museum.

Visual Arts – James Thompson whose work 'My Mob' has been selected for Art Express.

Congratulations to Hayley Kitching who won in the State All School Athletics Championship in a record breaking time in the 17 years girls 800 metres and the 17 years 1500 metres.

On behalf of Coffs Harbour Senior College, I would like to publicly acknowledge the tremendous contributions made to the Coffs Harbour Senior College by Susan McGowan and Wendy Morrison. Both have made such an enormous difference to student outcomes. Susan has been incredibly passionate about Music and inspired students, who have always risen to the occasion. We have seen the end result with outstanding performances being showcased by students. Likewise Wendy has used her expertise and knowledge that has left to outstanding results in PDHPE and Dance. She has over her time developed both of those subjects and provided opportunities for students who wanted to extend themselves. We wish them all the best for their new journey.

I would like to acknowledge all the efforts by staff who has always met the new challenges faced with creativity and all shaped around helping our college community. Further to this the student body continues to flourish and have come up a number of projects centred around giving back and improving their environment.

Two weeks ago we farewelled the class of 2021 with a wonderful graduation ceremony. It was pleasing to have the opportunity to acknowledge the success, they have achieved by completing their HSC. Rowan and Jeremy summed up their dreams and aspirations for their cohort beautifully. We wish them well with their future endeavours

Please note the following dates:

ATARs will be released 20th January 2022
